

Area 4 - Vilanova Centro

Description

Labyrinth city center with many narrow uni-directional streets and pedestrian areas. Visibility is generally low as well as allowed speed limits. Most intersections are straight and without traffic lights. The area also contains a few bi-directional wider streets, a few tunnels, outdoor and indoor parkings and a public park. Road users consist of many pedestrians, cars and a few cyclists. Some streets are filled with trees, which shadow can lead to strong light-dark changes. Many obstacles such as (incorrectly) parked vehicles, trash deposits, bus at bus stop, terraces or construction works.
